Wherever your family is from, we **WELCOME** you....

...to the first newsletter of the new year!

This is where you will find all of the information you need regarding events, activities and programs across the course of the year.

Welcome Back Students!

Our classes have all been busily engaged in 'get to know you activities'. Our motto 'happy kids learn' is now emblazoned on our rebound wall thanks to some talented students, and is also our mission during the Start Up program across the first few weeks of the year.

Supporting the children to feel safe, secure and connected to their teacher and their peers is a priority for us at BPS. Our school values take residence on the other side of the rebound wall and are also a focus in classrooms at the start of the year.

This sets up a great foundation for learning in a supportive environment which encourages kindness, curiosity, risk taking and mistake making.

Welcome to new families!

A special welcome to our 2025 Prep students, their families and those who have joined Banyule from other schools! We have all been super-impressed by the preparedness for school that our new students have shown. They have displayed independence, kindness and friendship in these first few days. Thank you to everyone who has supported this transition:

parents, teachers, school leadership, office staff, and of course the students themselves.

Congratulations!

Welcome back teachers and support staff!

We are continually grateful for the high quality of teaching at BPS! Our teachers go above and beyond to create a positive and safe learning environment for our students. As a staff, we pride ourselves on being continuous learners and are continually reflecting to ensure we remain aware of our school's learning and wellbeing priorities. Our first two professional learning sessions have been testament to this, providing the opportunity for teachers and educational support staff to focus on what great teaching, learning and wellbeing support will look like across the school here at Banyule in 2025.

Welcome Parents!

Parent/Teacher Meetings in 2025

We have made a few changes to our parent teacher meeting program for this year in response to feedback. The year will begin with an open classroom afternoon. This will provide an opportunity for parents to;

- meet the classroom teacher/s
- have an opportunity to see the classroom
- ask general questions regarding class and year level processes and happenings
- listen to their child present their learning goal/s

Parents of students with identified additional needs will be contacted to arrange a separate meeting at a different time to develop Individual Education Plans. If you have any private or personal matters that you wish to discuss with the classroom teacher please contact them via email to arrange a meeting.

Formal Parent/Teacher interviews will be scheduled for the end of term two, where teachers will provide information on individual students learning progress. This will replace the three way conferences previously held.

Welcome everyone!!!

Family Picnic

Following the open classroom time all families are invited to the oval for a relaxed afternoon to get to know one another.

BANYULE
Primary School
FAMILY
PICNIC
AND MEET THE TEACHER NIGHT

WEDNESDAY FEBRUARY 12TH

ROLL OUT THE RUG, UNFOLD THE CHAIRS AND COME AND MEET
 TEACHERS, MAKE NEW FRIENDS OR CATCH UP WITH OLD ONES AT THE
 BANYULE PRIMARY FAMILY PICNIC

<p><i>The Banyule Primary School Meet the Teacher part of the night will provide the opportunity for parents to come in and meet your child's teacher. Children will also be able to show you around their 2025 classroom.</i></p>	<p style="text-align: center;">CLASSROOMS OPEN FOR MEET THE TEACHER from 4.00pm - 5.00pm</p>
<p style="text-align: center;">LIVE MUSIC</p>	<p style="text-align: center;">PICNIC ON THE OVAL FROM 5.00 TO 7.00</p>
<p style="text-align: center;">BYO FOOD AND DRINKS **NO GLASS PLEASE** <small>NB: Schools are smoke and vape free zones.</small></p>	

The gym toilets will be open for use on the evening. Please note that children need to be supervised by parents and are required to stay on the oval. The other areas of the school will not be supervised and following some accidental damage caused during last year's Christmas carols evening, we ask for your support with ensuring children are close by.

Assembly

Our first official assembly for the year will be held on Monday afternoon at 3.00pm. All parents are welcome to attend assembly. Our Yr 6 Captains will be presented with their badges next week.

Parent Payment Arrangements

We are reliant upon parent contributions to support the teaching of the curriculum, run intervention programs, purchase library resources, and support our building and grounds projects. Parent contributions also enable us to employ our first aid officer, maintenance person and school librarian.

Thank you for you ongoing support, it really does make a difference!

Natalie, Sam and Claire

Camp Dates

Year 3 Camp- 26th November-28th November

Year 4 Camp- 23rd June- 25th June

Year 5 Camp- 27th August- 29th August

Year 6 Camp- 25th August- 27th August

Reminders

Uniform

All students should now be wearing the correct uniform. The school uniform colour is **navy** blue not black. Hats must be the school approved Sunsmart hats available from the Uniform supplier. Please contact the principal if you are having any difficulty sourcing the correct uniform for your child.

Mobile Phones

Students are not permitted to use mobile phones or smartwatch devices on the school grounds. Students must hand their mobile devices to their classroom teacher in the morning so that it may be securely stored for the day.

Safe driving around the school

Unfortunately we don't have the luxury of a dedicated quick pick up zone at BPS. We do however have the 2 minute parking zones which can be used in a similar way however this relies on community minded people. We ask that all drivers stay in their vehicles and adhere to the 2 minutes.

School Savings Bonus: School Activities

Thank you for your ongoing patience as we find our way with the rollout of this new initiative. If you have allocated any of the bonus for use on school activities you will need to send the office an email so that we can remove the charges from your nominated activity. At BPS the bonus can be used for the following:

- School camps
- Excursions and incursions
- Swimming and sporting programs

- Graduation

2025 School Council Parent Nominations

School Council is a governing body that oversees many aspects of school governance such as finances, facilities, fundraising and policies. The composition of our school council consists of 8 parent members and 4 staff members. Positions are for a two-year tenure (members can re-nominate). This year we have 6 vacancies.

Council meets twice per term on a Wednesday evening at 7pm. Meetings are efficiently run and rarely go over an hour. I have included a fact sheet below with further information however please feel free to contact me if you have any questions.

Should we receive more nominations than positions vacant we will need to call an election.

If you are interested in joining our Council, please fill in the nomination form attached and return it to me by Thursday the 20th of February at 4.00pm. Hard copies of the form are available at the school office.

Looking forward to a great year of working together!

Natalie

natalie.shanahan@education.vic.gov.au

Nomination Form:

Fact Sheet:

Fact sheet 1: school council elections – information for parents

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally constituted bodies given powers to set the broad direction of a school, in accordance with Ministerial Order 1280 Constitution of Government School Councils, and the *Education and Training Reform Act 2006*. By doing this, a school council may directly influence the quality of education for students.

Who is on the school council?

For most primary school councils, there are several possible categories of membership:

- **A mandated elected parent member category** – members of this category generally comprise more than one third of the council's total membership. Department employees can be parent members at their child's school providing that they are not engaged in work at the school.
- **A mandated elected school employee member category** – members of this category comprise no more than one-third of membership. The principal of the school is automatically one of the members.
- **An optional community member category** – members are co-opted by a decision of the council because of their special skills, interests or experience. Department employees are not eligible as community members.
- A small number of school councils have nominee members.

For all schools with a Year 7 and above cohort, there is an additional category of membership:

- **A mandated elected student member category, two positions.**

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills and a range of experiences and knowledge that can help inform and shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying and meaningful. They also find that their children feel a greater sense of belonging.

Do I need special experience to be on school council?

Each member brings their own valuable skills and knowledge to the role, however, in order to successfully perform their duties, councillors may need to gain some new skills and knowledge.

It is important to have an interest in your child's school and the desire to work in partnership with other parents to help shape the school's future.

Code of conduct for school councillors

School councils in Victoria are public entities as defined by the *Public Administration Act 2004*.

School councillors must comply with the Code of Conduct for Directors of Victorian Public Entities issued by the Victorian Public Sector Commission. The Code of Conduct is based on the Victorian public sector values and requires councillors to:

- **act with honesty and integrity** – be truthful, open and clear about their motives and declare any real, potential or perceived conflict of interest and duty
- **act in good faith in the best interests of the school** – work cooperatively with other councillors and the school community, be reasonable, and make all decisions with the best interests of students foremost in their minds
- **act fairly and impartially** – consider all relevant facts of an issue before making a decision, to have a balanced view, never give special treatment to a person or group and never act for personal interest

Student Achievements

Jayden Zhou of 6SN has recently passed a Judo practical and knowledge test called a grading at the Yarra Judo Club. This is no easy task and requires a great deal of practice. The grade is awarded by the presentation of a coloured Judo belt. Junior Judo belts are in varying colours signifying age and expertise. Jayden has been awarded a Junior Orange belt. Below is an 'Introduction to Judo document' (Welcome to Judo Victoria.PDF) which is provided to new members of Judo Victoria.

Welcome to Judo Victoria (JVI)

You have made the first step in the right direction; now allow me to answer some of the questions you most likely have.

Where did judo come from?

Many years ago in Japan, the main form of self defence for the samurai was called jujutsu. As you can imagine, to be effective, it was brutal, to say the least. As Japan moved into the modern era however the samurai were banned from carrying weapons and so the need for self defence became less.

Over 130 years ago a very astute man, his name was Jigoro Kano, realized that there were many advantages to learning jujutsu, however he also knew that the Japanese youth of the time were not prepared to suffer the potential injuries. He introduced rules to make training safer, but still maintained the ethics and respect, which is still with us today.

Judo players (judo-ka) are expected to give respect to those more senior and in return, the senior judo-ka impart their knowledge and experiences to the junior judo-ka. Most instructors will tell you that it is a great day when their students become more skilful than they.

Kano formed the Kodokan to teach the new ideas and gave his form of jujutsu the name Judo. The Japanese word Ju can be translated as gentle, but is best translated as giving way to a superior force. The word Do means the path to, or the way. These are the Japanese characters for judo. You will see them everywhere.

柔道

Judo must have something going for it. It has been an Olympic sport since 1964 and is practiced in almost every country. Judo is the second biggest participation sport in the world.

Ok, now what about modern judo

Judo today is both a sport and a martial art. The sport has well defined rules to ensure safety as far as possible and maintain the mutual respect ideals governing the players, referees and officials. Through the sport training, there is a path to the martial art, but mainly for those with advanced skills and experience.

Judo has a strict sense of value.

Self Control, Honour, Patience, Honesty, Courage, Friendship, Courtesy, Humility, Respect

Here are some answers to possible questions that you may have before your first lesson. Let me emphasize, you will start your judo through the sport of judo.

Is there any kicking or punching in judo?

No, none

What will you learn?

You will learn how to fall, throw, and hold your partner down. Arm locks and strangles are taught only to older age groups.

Does judo target the head?

No. Strikes and kicks are not allowed and so head protection is not needed.

Are judo people allowed to do judo anywhere?

No. Judo people may only practice inside their judo club.

Is judo safe?

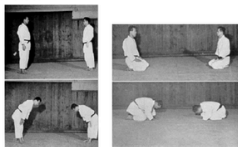

Judo is safer than most contact sports popular in Australia, notably all three football codes and netball.

What is the bowing for?

Bowing is a demonstration that each recognizes the character of the other person, and is showing respect towards them. Bowing may be standing or kneeling (which is the more polite form).

Am I covered by insurance for an injury?

Not that this is likely to happen, however as you have become a member of JVI you are covered by insurance through the Judo Federation of Australia.

So why do judo, after all it does take a lot of effort?

Judo teaches self respect, respect for others and especially teachers and senior. It is a system of education and at the same time you will get fit. You will find that the body.

Now for some do's and don'ts

Firstly the Do's

- Talk to your instructor about any medical condition that may affect you
- Ask questions, that is what your instructor hopes for. Don't be shy or
- Be punctual, the first part of a lesson is where you formally greet your
- Stay to the end of the class that is where you formally thank your inst
- Listen carefully and practice what the instructor has taught you.
- Wash your judo uniform regularly, preferably after each class.
- If you are practicing with someone smaller, or not as strong, help them

Now the don'ts

- No shoes or socks on the mat. So make sure your feet are clean, esp
- Do not talk while the instructor is talking.
- If you are asked to sit down, make sure that your legs are crossed an
- your legs.
- Remove any objects such as earrings, bracelets, watches, hair pins, ar
- All finger and toe nails must be kept short.

Do you need a judo uniform (judo-gi)?

The answer is yes. Will a karate uniform do? No. The judo-gi fabric must be strong and fit correctly. Your club will be able to sell put you into contact with a supplier.

Is there competition in judo?

Most definitely, but only if you want to. The competition rules are governed by Federation of which the main emphasis is safety to the competitors. The rules f

Summary

Judo is a contact sport that will give you a boost and tire you out. But keep in n learn. Very senior members will tell you that you never stop learning.

Also, when your days of hard practice are over, stay in the sport and give back

Here are some children having fun.

Malcolm Slade 7th Dan, Life Member
Registrar
Judo Victoria

Dear Banyule Primary School parents and carers,

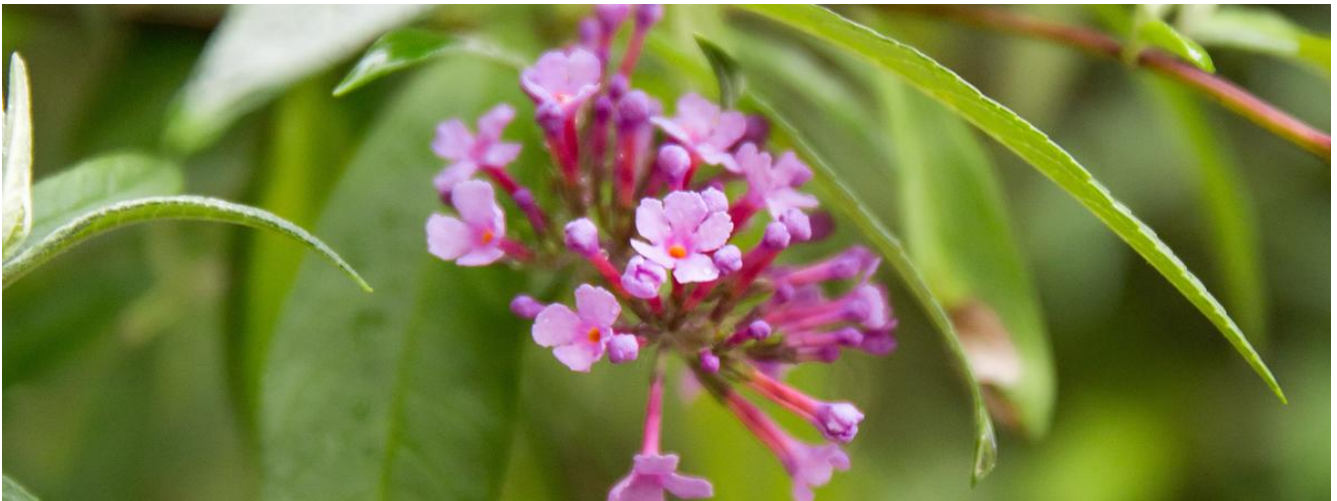

URSTRONG's whole-school friendship strategy has improved the social climate in schools around the world, connecting over a million kids, parents, and teachers with a common language of friendship. We are proud to be a URSTRONG School and are committed to empowering your children with friendship skills.

You are invited to take advantage of a [FREE Parent Membership](#) to access hundreds of resources – including an 8 session video series. This will allow you to learn the same language & strategies being taught in the classroom through the Friendology 101 curriculum. We hope that, as a URSTRONG Family, you will reinforce the important messages of empowerment, self-compassion, & kindness at home.

As a next step, we would recommend:

- [Click here](#) to view an overview of URSTRONG.
- Activate your [FREE Parent Membership](#) and explore all the resources available to your family.
- Explore the hundreds of resources available to you!

We believe that empowering our students with these skills will create a culture of kindness at our school and we hope that, together, we can support your children to have healthy, feel-good friendships.
