Welcome to Term 4!

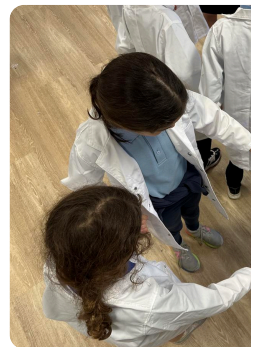

It's great to be back and what an exciting and busy time we've had these first two weeks.

WE ARE IN!!

In the unlikely case that the children haven't shared with you, **WE HAVE BEEN GRANTED THE OCCUPANCY PERMIT OF OUR NEW BUILDING!!**

We have therefore been busy, moving furniture, resources and children out of the old and into the new!

We'll let the pictures do the talking, so you can see how great it looks, both finished and with children learning in it!!

But wait...there's more!

There was no rest on the break for us as we used the opportunity to start the refurbishment project on our portables. I'm sure you'll agree the outsides look refreshed. Meanwhile, we've also used the opportunity of empty portables to help us being painting the internal walls and lay brand new carpet!

But wait...there's still more!

This week we began the installation of the upgrade of our CCTV camera system. This will see us add to our system and increase the protection of our brand new facilities and areas of our yard previously not covered. We look forward to a reduction of the pattern of vandalism we've seen over recent times and to help us gain understanding over incidents which happen in our school. Our CCTV Policy can be viewed on our website.

We look forward to the weekend, as we feel like very exhausted (very!) amateur furniture removalists!

Enjoy yours,

Natalie, Sam and Claire.
