Wellbeing Week

As you may have seen through our 'socials', our Wellbeing Week was a great success! The strong focus of **Resilience** began with an inspiring presentation to staff on the Curriculum Day, when author, TV personality and inspirational speaker Abdi Aden shared his story of escaping civil war in Somalia and beginning his life as a refugee in Australia. We purchased Abdi's children's book YES I CAN! for use with our older students and hope to invite him back to speak with them later in the year.

Thursday saw our students dress to un-stress and attend Cardy's Cartoon Workshop. Great fun was had, learning a variety of cartooning tricks of the trade. These snaps taken during the workshops suggest the workshops were quite the success and that we have possibly have lots of future cartoonist in our midst. Cardy informs that his cartooning books will arrive

tomorrow for those that have ordered them. Books can still be ordered using the QR code below and will be delivered to school next week.

URSTRONG

Our social skills development program happens all the time here at BPS. As the children grow tired towards the end of term, it is often helpful to remember these tips on how to support children through the ups and downs of friendships.

10 Friendship Tips for Kids

1. Remember that Friendship Fires® (conflicts) are normal.
2. Wait for the right time when putting out Friendship Fires®. Timing is important!
3. Talk-it-Out by retelling the situation and explaining how you feel. "Remember when... I felt..."
4. Spend the most time with friends in the green-zone of the Friend-o-meter.
5. Spend less time in red-zone friendships if you've tried to put out the Fire® and it's not going out!
6. Focus on what works in each friendship. Do things that bring out the best in your friendship!
7. If it's Mean-on-Purpose, remember to use a Quick Comeback and report to an adult.
8. Remember: You teach people how to treat you!
9. You deserve top-quality friendships. Quality is more important than quantity.
10. Be friendly and kind to everyone. There's a difference between friendly and friendship.

Building Project

This week we were fortunate that many of our staff were able to have a guided tour through the new building to see the progress and it was wonderful to see their excitement rise as they walked through the spaces, and being able to better image what all the noise, mess and construction chaos is creating. Here's some pictures from this week:

End of Term Break

A reminder that the term break begins next Friday, June 28th with a 2.30pm dismissal.

We hope everyone has a safe and enjoyable break and look forward to seeing everyone again when school resumes on July 15.

Student Achievements

Wellbeing Week saw us launch our *Busted Doing Your Banyule Best* initiative. It looks to recognise and promote positive behaviour by catching students displaying behaviour consistent with our school values. If students are busted by a staff member then they will receive a *Busted Doing Your Banyule Best* slip to place in the special box at the front office. It has been lovely walking through yard or into classrooms and having students run up to you and proudly share that they were "Busted!!!".

Each assembly some slips are then drawn out, and those children earn the title of *Busted Doing Your Banyule Best Student of the Week*, receiving a certificate to proudly display on the fridge at home and place on our *Busted Doing Your Banyule Best* Board of Fame in our foyer. Here are our first two *Busted Doing Your Banyule Best* Board of Famers below looking almost as proud as we are of them!

Charlie (1TY) and Emily (4RS) got BUSTED showing our school values!

Firefighter Visit

The Prep students have really enjoyed investigating our Inquiry topic, 'People Who Help Us' this term. We were so lucky to have the firefighters visit us and teach us all about how to stay safe in an emergency.

Year 2 Community

Wellbeing Week

Year 3 Community

On Tuesday 18th June the Year 3 students embarked on their excursion to CERES. Everyone was rugged up and ready for a day of learning through engaging hands-on explorations at the CERES Park in Brunswick.

Students had an amazing day rotating between the activities that focused on-

- Learning about the water cycle and the importance of plants and animals in creating healthy ecosystems
- Using nets and microscopes to look for insects and pond fish
- Connecting with Country through the skill of observation and making seed bombs using clay

The teachers would like to commend the students on their excellent behaviour and representing our school with pride. Thank you to our teachers, parent helpers & volunteers!

Year one and two Physical Education

In Week 7 and 8, the Year 1 and Year 2 students participated in gymnastics clinics with qualified gymnastic coaches from the Melbourne Institute of Sport. They challenged themselves to try new tricks and skills and had a wonderful time with coaches Megan and Evelyn. The students learnt how to take off from a trampoline or box with a tuck jump, jump twist or star jump and land in a motorbike landing position whilst remaining balanced. They learnt how to perform different types of rolls including a log roll, egg roll, forward and backwards tumble. They also learnt how to do a wall handstand and practised balancing using a range of different equipment. A popular rotation was the 'anything gymnastics mat', where students had a chance to show off any gymnastic skill they liked!

DIVISIONAL CROSS COUNTRY

On Wednesday May 29th we had 16 Banyule Primary School representatives that took part in the divisional cross country at Banyule Flats. What an awesome achievement to get to this level.

The students that competed on the day included: Ruben A; Fred B; Vihaan D; Joakim F; Harriet G; Larissa H; Lachlan J; Dylan K; Xavier K; Samuel O; Alex P; Feranmi R; Vivienne R; Nova T; Emma S and Ivy T.

Wishing Dylan K; Lachlan J; Larissa H; Feranmi R and Vihaan D the best of luck when they compete at the regional championships on Wednesday 19th June.

SENIOR HOOPTIME

On Tuesday June 4th we had our Senior Hooptime Competition which was held at Diamond Valley Basketball Stadium what a fantastic day. Our boys All Star team coming 3rd overall and our All Star girls team coming in 4th place. An outstanding performance from all our students. Our rookie team won most of their games on the day which was fantastic to watch.

Thank you to all parent helpers on the day it makes things a lot easier to coordinate with some help. Much appreciated!
